

Boiler distributor COMBI

Boiler distributor

Code	EAN13
6096760	5902273501695

Product usage:

For PROFFmix & PROFFco mixing units

Type:

Manifolds

Guarantee:

2-year

Technical data/Operating parameters:

Max temperature: 95°C

Max pressure: 1,0 Mpa

Factors heating: water, aqueous solutions of glycol (max. 50% glycol)

The flow factor for one component $K_v = 10,1 \text{ m}^3/\text{h}$

Used materials:

body, nuts G6/4: brass;

seals: EPDM70;

screws: stainless steel;

insulation: PPE

Finish:

brass
