

**Actuator for V-MIX valves**

Actuator for V-MIX STM 10/230 valves with integrated equithermal adjusting unit

| Code    | EAN13         |
|---------|---------------|
| 6098320 | 5902273509721 |

**Product usage:**

For use in central heating systems

**Type:**

Actuators

**Technical data/Operating parameters:**

- temperature range: +20°C...+80°C
- rotation angle: 90°
- power supply voltage: 230V-50Hz
- protection class: 2
- valve opened for: 2 minutes
- max. ambient temperature: 50°C
- torque: 10Nm

**Guarantee:**

2-year

**Used materials:**adapter, blocker, sensor,  
sensor cable: 1m, diameter 5 mm,  
power supply cable: 2m, 230V**Finish:**

-
